

The Best Investment You Can Make In Your Children's Future!

Help Them Learn To Study Smarter...Not Harder!

Club Z!'s proven Study/Organizational Skills program, *Learning Built to Last*™, is a must for middle school and high school students who want to reach their full academic potential. And for parents, it is the best insurance policy you can get to protect your investment in their college education.

Our Unique Program Includes:

- Diagnostic Test to pinpoint current strengths and weaknesses
- One-on-One instruction, individually tailored to each student's needs and learning style
- Time management skills
- Concentration and memory skills
- Listening and note-taking skills
- Homework management skills
- Writing effective papers and essays
- Test taking/test anxiety skills
- Flexible schedules to fit your lifestyle
- Free in-home consultation
